

# Stay Safe Online!

## Digital Safety Tips for English Class Projects

01

### Protect your data

- Don't share personal information
- Use your school account
- Ask your teacher if you are unsure

02

### Your digital identity

- Be respectful online
- Think before you post
- Your digital footprint stays forever

03

### Safe content use

- Use free or licensed images
- Give credit when needed
- Create your own work

04

### Work responsibly

- Respect classmates' work
- Collaborate safely
- Help each other with technology

05

### If something goes wrong

- Stop and don't share
- Take a screenshot if needed
- Tell your teacher

**Be safe, be smart, be kind online!**
